# RII40113 Certificate IV in Surface Extraction Operations

**HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN**

Industry endorsed  
Student satisfaction

**Upgrade your staff's skills today**

Get your employees qualified to work as a supervisor or team leader for an open cut mine or quarry work. This course will give staff the skills to perform a broad range of varied activities, most of which are complex and non-routine. On graduation they’ll be able to take responsibility for the quantity and quality of the output of others; contribute to the development of technical solutions to non-routine problems, and apply safety management plans to the workplace.
