HAIRSTYLES FOR VALENTINE'S DAY

Are you looking for some dreamy hair inspiration this Valentine's Day? Here are a few hot tips from the TAFE Queensland South West hairdressing team to help tease out some ideas.

To make your hair easier to style, begin by washing and conditioning your hair. Before you dry it, use a styling product like mousse.

Curling your hair with a GHD or curling wand opens up endless styling possibilities for your hair – remember to curl it in sections.

For a soft, romantic look, leave your hair curled and hanging loosely.

Try a half-up-half-down look to grab attention – pin the front up and top half of your hair back and leave the rest loose. Alternatively, try a loose braid incorporating only the top half of your hair.

A soft, messy up-do can take you from an afternoon picnic to an evening out – just run your fingers through your hair to loosen the curls, then gently pin pieces up and into place.

When finished don't forget to use a light hairspray to hold your style in place, but not too much that makes it stiff or sticky to touch.
