IN BRIEF

Tuesday, 5 April 2016

STAY IN CONTROL OF YOUR CHEMICALS

Learn about the safe application of chemicals in agriculture with a two-day workshop at TAFE Queensland South West in Roma.

The Chemical Application for Agriculture (AUC) short course which is held over two consecutive days starting 12 April, is designed for experienced or semi-experienced farmers, growers, weed controllers, and all users of agricultural chemicals.

Completion of the course is required to obtain a Licence to become a Commercial Chemical Sprayer (ACDC Licence).

Places are limited. To enrol please call 1300 914 754 or visit www.tafesouthwest.edu.au for more information.
