OPEN DAYS PROVIDE VALUABLE INSIGHTS FOR SCHOOL STUDENTS

More than 500 high-school students attended the TAFE Queensland South West schools open day in Toowoomba today to experience and gain valuable insights into vocational education and training (VET).

“Every day TAFE Queensland South West helps school students write their own success stories, and open days are a chance for students to explore different study and employment pathways,” said TAFE at School Manager Sorita McGrane.

“Open day is not about deciding then and there what they’re going to study, it’s about helping students explore their options and setting them up for success in the future.”

“TAFE Queensland South West loves that we can be a partner in the educational journey of young people in our region.”

If you’re interested in experiencing all that TAFE Queensland South West in Toowoomba has to offer, you’re invited to book a tour and Rediscover TAFE on Thursday, 16 June 2016.
