## **BEGINNERS' COMPUTING WORKSHOP IN SPRINGFIELD**

If you normally avoid the technology world but are ready to learn about all things digital, TAFE Queensland South West is running a beginners' computing workshop perfect for you!

You'll be able to improve your technology skills, and gain a deeper understanding of Internet, email, and Microsoft Word use.

The next non-accredited Springfield workshop takes place next Tuesday, 14 March 2017 – so get in quick before places fill.

For more information please contact TAFE Queensland South West (RTO 0526) on 1300 914 754.
