If you want to go on to further study at university, TAFE Queensland has a pathway option to get you there. In many cases, completing one of our diplomas may give you up to a full year of credit towards a degree with one of our partner universities. That means cutting down the amount of time you need to complete your degree, or even enrolling straight into the second year of your university course.

As an example, successful TAFE Queensland South West graduates of ICT50315 Diploma of Information Technology Systems Administration will be eligible for up to 8 credits in the Bachelor of Information Technology (BITC) with the University of Southern Queensland (USQ).
