Outcome

Participants will receive a Statement of Attendance

Units

There are no formal units in this course. This course aims to refresh the knowledge of Health and Safety Representatives (HSRs) and deputy Health and Safety Representatives who have completed their initial training. Topics covered will include:

- Workplace Health and Safety legislative framework
- duties of various parties
- key Workplace Health and Safety terminology
- the role of Workplace Health and Safety Queensland and penalties for non-compliance
- requirements and mechanisms for consultation in the workplace on Work Health and Safety issues
- the role, entitlements and protections available for HSRs and Health and Safety Committees (HSCs)
- resolving Workplace Health and Safety issues through negotiation and conflict resolution
- identifying hazards and ways in which they can be eliminated or minimised
- incident notification and investigation
- issuing Provisional Improvement Notices (PINs) and directing unsafe work to cease

Disclaimer

The elective units available may vary between locations, delivery modes and intakes.
